

# Matcha and Hojicha “Cappuccino” Powder

*Just add boiling water to enjoy a frothy, milky drink in matcha and hojicha flavors.*

## Uji Matcha “Cappuccino”

Made with 100% stone-ground matcha powder from Kyoto for that distinctive, rich matcha astringency combined with mellow frothed milk.

Ingredients: Sugar, lactose, whole milk powder, vegetable oil, corn syrup, matcha powder, skim milk powder, dextrin, sweetened condensed skim milk, salt/emulsifier, caseinate sodium, pH adjuster, flavoring (e.g., nucleic acid) (product includes dairy, soy)

## Uji Hojicha “Cappuccino”

Made with 100% impeccably roasted, stone-ground tea from Kyoto for a full, aromatic taste combined with mellow frothed milk.

Ingredients: Sugar, lactose, whole milk powder, vegetable oil, hojicha (roasted tea), dextrin, sweetened condensed skim milk, corn syrup, skim milk powder, salt/emulsifier, caseinate sodium, pH adjuster, flavoring (e.g., nucleic acid) (product includes dairy, soy)
