

Drink of Centenarians

Green Tea

“Aojiru” Juice

Young barley leaves
(grown in Japan)

Tea leaves
(grown in Kyushu)

NB: Production may be switched to teas from other prefectures without prior notice if tea harvest circumstances require.

A tasty, healthy alternative to tea

Made in Japan using select, locally grown ingredients.

Powder

Simply add boiling or cold water!

1 serving per sachet

No need to measure! A great on-the-go drink.

All barley version also available.

The ideal drink for health-conscious people

1 serving (3g)
× 85 sachets

1 serving (3g)
× 30 sachets
